

IMMUNIZATION INFORMATION

A parent or guardian of a child registering in a licensed child care program must provide one of the following to the Licensed Child Care Provider:

An up-to-date record of their child's immunization.

OR

A medical exemption form, completed by a qualified medical practitioner which clearly states the medical reasons why the child cannot be immunized.

OR

A letter provided in writing objecting to the immunization on the grounds that it conflicts with a parent/guardian's conscience or religious beliefs.

If an outbreak occurs, any child who is not adequately immunized will not be able to attend the child care facility until the child receives the required vaccine or until the outbreak is declared over.

Instructions:

1. Complete the following page of this form and return it with your registration package.
2. **Fill in the dates of each needle (year/ month/ day), OR attach a clear photocopy of the child's immunization record. Both sides of the record must be included.**
3. If you do not have an immunization record for your child, take this form to your doctor.
4. When your child receives another needle give a copy of this information to the Licensed Child Care Provider.
5. If you do not have an Ontario Health Card call 416-392-1250. You will receive information about where your child can receive free immunization services.
